session. Hearing notices from Banking, Commerce, and Insurance, and a series of hearing notices from the Appropriations Committee, signed by the respective chairpersons. Senator Wehrbein has amendments to LB 359 to be printed, and Senator Suttle amendments... Senator Beutler, excuse me, Senator Beutler, amendments to LB 148 and (LB) 148A. And that's all that I have, Mr. President. (See pages 643-648 of the Legislative Journal.)

SPEAKER KRISTENSEN: Thank you, Mr. Clerk. While the Legislature is in session and capable of transacting business, I propose to sign and do sign LB 19, LB 23, LB 24, LB 59E, LB 102, LB 170, LB 191E, LB 228, LB 258, LB 259, LB 260, LB 278E, LB 287, LB 298, LB 326, LB 403, LB 291, LB 291AE. We next move to General File, LB 86A.

CLERK: (LB) 86A, Mr. President, by Senator Wickersham. (Read title.)

SPEAKER KRISTENSEN: Senator Wickersham, you're recognized to open on the bill.

SENATOR WICKERSHAM: Thank you, Mr. President. This is the A bill that Senator Wehrbein and I had a discussion about yesterday. This would appropriate funds for use by the State Auditor's Office to carry out changes in the way that budget documents are filed, hopefully, to be able to provide an electronic filing system, the development of a database based either on electronic filing or, until the electronic filing is up and running, a database based on the paper documents that are now filed in the Auditor's Office. There are provisions in here for FTE to accomplish those objectives and also some additional computer work, programming and equipment. But it is...it's the issues that Senator Wehrbein and I discussed yesterday, but I'd be happy to respond to any additional questions about those particular expenditures and objectives.

SPEAKER KRISTENSEN: Further debate on the advancement of the bill? Seeing none, Senator Wickersham waives closing. The question before the body is the advancement of LB 86A to E & R Initial. All those in favor vote aye; all those opposed vote nay. Have you all voted? Members, if you care to vote, would you please do so? Record.
